

South West Coast Path †

Kit Johnstone, Ph.D.
Swanage, 2007

5 Then you go down to Studland Bay
To ferry sand for miles the way.
The boat's not ours, retrace steps you came,
South Haven began this coast path same.

Kit Johnstone, Ph.D.
Wilderness, 2010

† The layers of rock dip towards the east, so they become older the further west you go.
